Announcement

It is hard for us to say whether to call this sale a reduction or retirement sale, so we prefer to call it both. As for retirement, Mrs. Struve and I are actually retiring from active management and turning it over to the boys. By doing this we must reduce our present herd to about 35 cows but we will still do our bit toward breeding good Shorthorns which has been our business since 1901. I was born on this farm and when a mere boy I took a fancy to Shorthorns. My father bought 3 Shorthorn heifers and from there on, I have kept a breeding record. We have recorded around 1500 head of calves that were bred on this farm and have one family, the Nonpareils, which was put in the herd forty years ago. Some of our top show cattle during the last few years have been from this family. As in many instances, we have had our ups and downs, going through several depressions. But we steadfastly maintain that the Shorthorns have always pulled us through. We welcome all our old and new acquaintances to be with us on October 29 and form your own opinion as to the quality of our cattle that we are putting in this sale.

We purchased this bull a year ago from Les Mathers for \$5000. He was a member of the Level-dale show herd and won his class at the Indiana State Fair. His sire, Cruggleton Adjuster, by Cruggleton Perfect was recently made Champion at York and Reserve Champion at Inverness. His half brother, Scotsdale Aspiration, was the Champion bull in Canada last year defeating the 1947 International Grand Champion. His grandsire on his dam's side is also Cruggleton Perfect, one of the best breeding bulls in Scotland. He is a bull of great depth, heavy bone, and the looks of a real sire. Most of the cows and heifers in the sale carry his service. Come and see him sale day and we know you will want a calf by him.
